

Training Options for 2010-11

ClassScape is offering several **on-site training options** for enrolled schools during the 2010-11 school year. If your school and/or district is not enrolled for the 2010-11 school year, please click [here](#) to enroll in ClassScape. Our training services include the **New School Start Up Package** or a selection of **A La Carte** trainings.

The **New School Start Up Package** has been specifically designed to meet the unique needs of schools who are just beginning their ClassScape experience. The package includes **three on-site trainings** (see descriptions below). It is essential that these trainings take place at the school site and that they be done in the order listed.

First Training: Test Administrator

- Geared towards school-based leaders such as principals, assistant principals, curriculum coaches, technology facilitators, media specialists
- Focuses on the “back end” of the program including bulk uploading student data, setting up teacher accounts, creating common assessments, viewing reports, and monitoring system usage
- Occurs early in the school year (August or September)
- 1-3 participants, 3 hours minimum

Second Training: Basic User

- Geared towards classroom teachers who will be using ClassScape
- Focuses on user basics such as setting up classes, creating and scheduling assessments, and viewing reports
- Occurs at least two weeks after the successful completion of the Test Administrator Training (September or October)
- Maximum of 25 participants, computer lab setting, 2 hours minimum

Third Training: Data Analysis

- Geared towards teachers and school staff who have given ClassScape assessments
- Focuses on how teachers can analyze data from ClassScape reports to determine instructional effectiveness, identify student and classroom needs, and create intervention plans.
- Occurs at least one month after the successful completion of the Basic User Training (October – February)
- Maximum of 25 participants, 2 hours minimum

The **New School Start Up Package** is **\$700 per school**.

The **A La Carte trainings** are on-site training sessions and professional development workshops that can be ordered separately as needed. The **A La Carte** choices include:

- | | | |
|--------------------------------------|--|--|
| • Test Administrator Training | • Reports/Data Analysis Training | • District Benchmark Administrator Training |
| • Basic User Training | • Advanced Data Analysis Training | |

Each **A La Carte training** is **\$350 per session**.

If you are interested in enrolling your school for training, please fill out and submit the ClassScape Training Request form below. If you experience problems submitting this form, please contact Lindsey Hardin, ClassScape Training Coordinator, at 919-515-4219/ Lindsey_hardin@ncsu.edu for assistance.
