What is ClassScape[®]?

3

An online-based classroom assessment system which:

- Helps teachers to achieve and maintain curriculum/instructional alignment by providing quality assessment items based on all curricular objectives
- Assists teachers with identification of individual and class strengths and weaknesses on specific SCOS objectives

ClassScape[®] Assessments

4

Recommended for:

- ✓ Identification of individual and class strengths and weaknesses
- ✓ Maintenance of curriculum/instructional alignment
- ✓ Guidance for teachers in instructional decisions
- ✓ Monitoring of student progress

Not Recommended for:

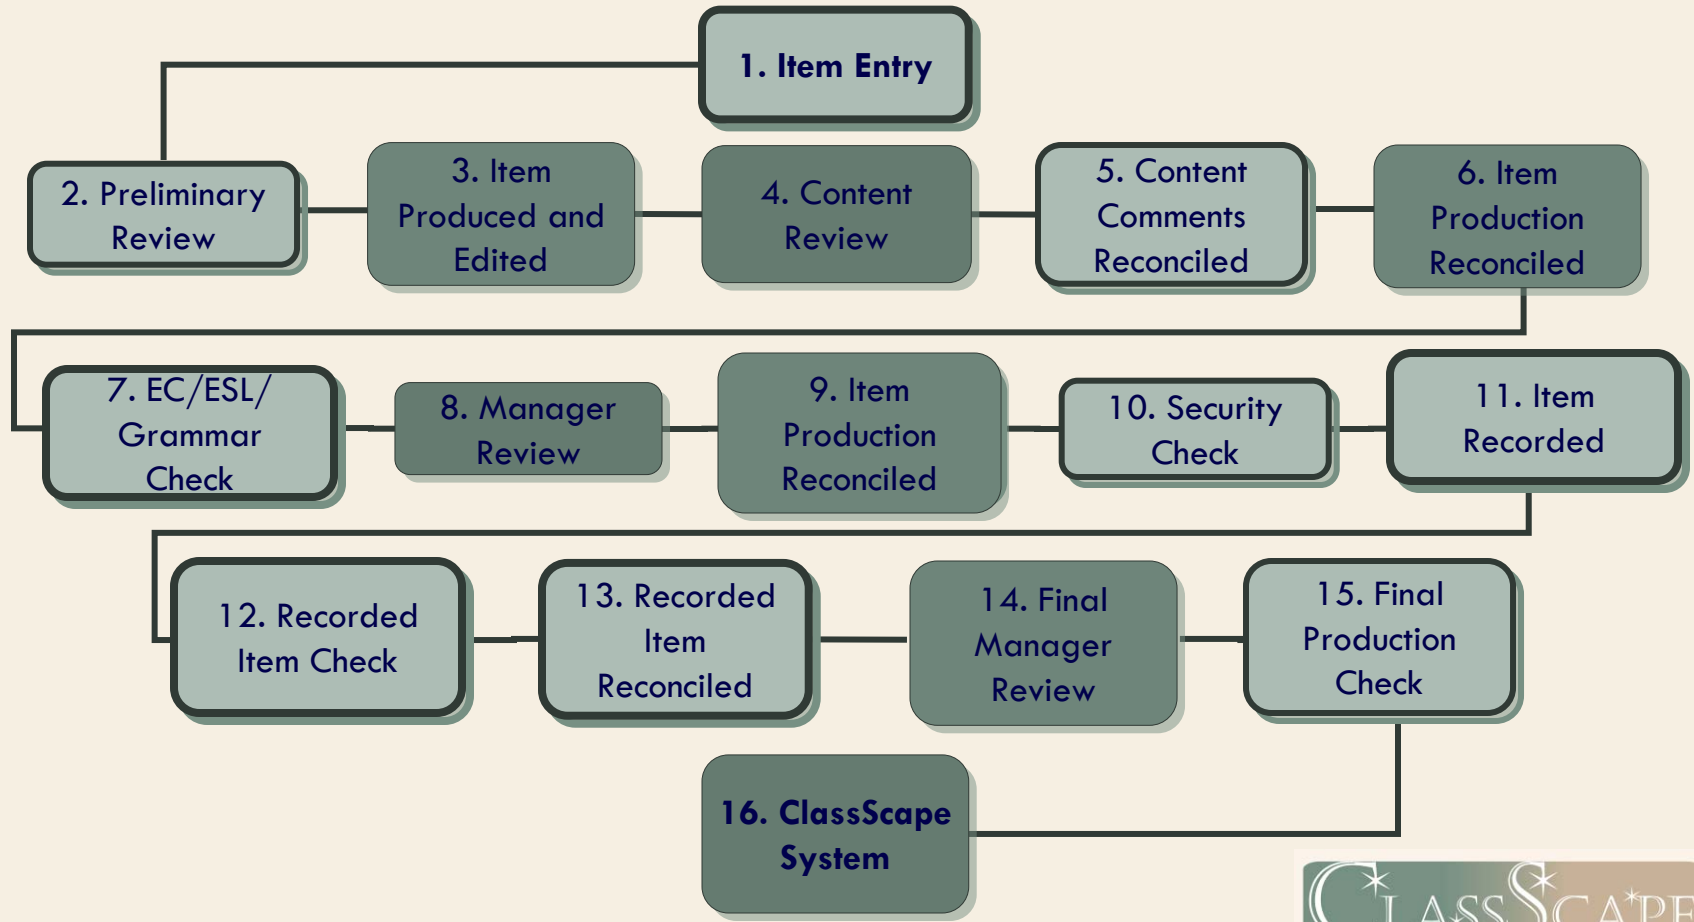

- ✗ Printing of items/paper-pencil testing
- ✗ High-stakes summative testing
- ✗ Prediction of future student performance on EOG/EOC assessments
- ✗ Assignment of consequences based on student or teacher performance
- ✗ At-home testing, homework
